

Notice

2021-04-16 blony

Good evening everyone, hope you are preparing well with your mid-term assignments.

There are several things to notice.

1. Medical check-up result

I deeply understand your confusion after you saw your result. I am sending you the information I received regarding the health check-up results of the 10th batch members.

o The project managers (Professor Yoo Byung-wook and Professor Kwak Young-hwan) will visit each University for the results of the examination. * After May 7th, not fixed.

o Issuing the prescription or having additional examination is not possible through counseling on a school visit. If necessary, contact the hospital separately for medical consultation and visits.

*Let Yonsei-KOICA staff know first☺. You should pay by yourself If you go to the hospital. (Some would be paid from the insurance)

o Except for those who received that they need an extra examination, all 10 batch members were determined to be qualified for health. Although you got results that you are healthy, you can meet the professors and listen to their opinions. (Same as consulting with the doctors for health care after the examination.)

o If you want to consult on visits or medical treatment, Soonchunhyang University Hospital will cooperate through the person in charge of each university.

Please refer to this aspect.

2. Yonsei Jacket

Thanks to Kyrie's endeavor, the new draft has arrived! This is the final design. No more change.

Jacket price: 43,900 won.

What you pay: 22,000 won(writing initials on both wrists: +1,000 won)

But we think the size and initial that you want might have changed from the last survey.

We want to clear.

Things you have to tell to Faith

1. Are you going to buy or not?
2. Do you want to write an initial on one side or both sides of the wrist?
3. What initials you want to write on your wrist.
4. What size of jacket do you want?

Unlike when we buy USIM, We will collect money in advance. Please give the money to Faith.

If you don't pay this time, you can't buy this Yonsei-Jacket later. If you paid, there is no refund.

So please decide carefully. We will order them when the money is sent to us and it will take about a month or more.

* Some members wanted a "KOICA" mark on the jacket. However, We should follow the opinion of the majority. Maybe later, we can order the T-shirt or hoodies with the "KOICA" mark on them.
